Package Services - Instructions

Use this form for Package Services including Bound Printed Matter, Library Mail, Media Mail, and Parcel Select.

Step 1: Complete Mailer and Mailing sections on page 1. The Mailer section must be completely filled in, including the Permit Holder in the first box, the Mailing Agent, if any as described below, in the second box, and the Mail Owner, as described below, if other than the Permit Holder, in the third box.

Mailing Agent: The mailing agent is a business entity, organization, or individual acting on behalf of one or more mail owners by providing mailing services for which the mail owners compensate the mailing agent. A business entity, organization, or individual whose services define it as a mailing agent may also be considered a mail owner, but only for its own mail or the mail of its subsidiaries. Mailing agents include, but are not limited to the following: Printer, letter shop, address list provider/manager; mail preparer, postage payment provider, mailing logistics provider, mailing tracking provider, ad agency, and mailing information manager.

Mail Owner: The mail owner is the business entity, organization, or individual who makes business decisions regarding the mailpiece content, directly benefits from the mailing, and ultimately pays for postage on the mailpiece directly or by way of a mailing agent.

Step 2: Determine which part(s) to complete for your mailing, as follows: Parts A - Bound Printed Matter (BPM) Flats or Parcels; Part B - Library Mail and Media Mail; Parts C through E - Parcel Select; or Part S - Extra Services.

Step 3: Complete applicable part(s) as follows:

Part A: Nonpresorted BPM is charged a per-piece price based on weight and zone. Enter applicable per-piece price in "Price" column. Multiply per-piece price by corresponding number of pieces and enter in "Total" column.

All pieces must be reported on the appropriate line at the full published price (not including the Full Service Intelligent Mail incentive). Pieces that comply with the Full Service Intelligent Mail option requirements are additionally reported on the line provided.

Permit Imprint mailings, round off to four decimal places. Add line-item totals and enter sum in Part A Total box. Do not round.

Presorted and Carrier Route BPM are charged a per-pound price and a per-piece price. Note: For pieces weighing one pound or less, calculate per-pound postage for a one pound piece.

Permit Imprint: Enter corresponding per-piece price for all zones in column one. Multiply applicable per-piece price by number of pieces per zone and enter in "Pieces Subtotal" column. Compute per-pound postage by multiplying the unrounded weight of a single piece (one pound per piece, minimum) by the number of pieces per zone; enter result in "No. of Pounds" column. Multiply the applicable Pound Price by the number of pounds. Do not round. Enter result in Pound Subtotal column. Add Pieces Subtotal, Pound Subtotal, any Discounts or Fees Totals, and enter result in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Parts B-E: These categories of mail are charged a per-piece price.

Permit Imprint: Multiply number of pieces by applicable per-piece price. Round each result off to four decimal places. Add the products and enter in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Postage Affixed: Compute applicable postage for a single piece. Round up to next tenth of a cent (three decimal places). Enter single-piece amount(s) in appropriate line in "Price" column; multiply times corresponding number of pieces; enter result in "Total" column. Add line-item totals and enter sum in Part/Total box. Do not round.

Part S: Extra Services are charged a per-piece price.

Permit Imprint: Multiply price for requested extra service(s) by number of pieces. Enter result in "Total" column. Add the line-item totals and enter sum in Part S Total box.

Postage Affixed: Multiply price for requested extra service(s) by number of pieces. Round off to three decimal places. Enter result in "Total" column. Add line-item totals and enter sum in Part S Total box. Do not round.

Step 4: Go to *Postage* section on page 1. Place a check mark in the appropriate box(es) to show which part(s) you have completed. Add the postage from the Part/Total box for each completed section; round off to the nearest whole cent (two decimal places); enter sum in Total Postage. *For postage affixed mailings round off to three decimal places.*

Step 5: Complete the line for Postage Affixed mailings. Check the box for the Price at Which Postage Affixed (Correct, Lowest, or Neither). Multiply the number of pieces by the postage affixed. Put the total in the Postage Affixed block.
