

- **Cannabidiol (CBD)** - compound found in resin flower of cannabis plants
- **New Policy** - Effective June 6, 2019, Postal Bulletin Publication 22521 to be incorporated at a later date in Publication 52, as new Section 453.

- ✓ **Mailer complies with all applicable federal, state, and local laws pertaining to hemp production, processing, distribution and sales**
- ✓ **Mailer retains records (lab test reports, licenses, compliance reports,....) no less than 2 years after date of mailing**

- **Mailability**

Mailable - Domestic and US Possessions, Territories or Freely Associated States

Non-Mailable - International and Military (APO/FPO/DPO)

- **Standards Available:**
 - All Types of Postage and Product Services
 - Extra and Special Services
 - Returns – Mailer is responsible for customer's return process

- **Advertisements** – existing USPS policy applies. CBD and hemp derived products are mailable as long as they are not prohibited by other laws. In doubt, consult with PCSC in NY.
