PRODUCT: Neopost Intelligent Series Mailing Systems

COMPANY: Neopost USA, 478 Wheelers Farms Rd., Milford, CT 06461. Phone: 800-NEOPOST (636-7678).

IS-280: The IS-280 iMeter postage meter is the simple, powerful choice for small business and home office mailings. With a full line of standard

Neopost IS-280

features and innovative Apps, the IS-280 iMeter streamlines the way users handle mail by combining efficiency with cost savings. A large integrated scale accommodates postcards, envelopes, and small packages with ease. The ergonomic layout and design of the scale provides a clear view of the display panel regardless of what materials are placed on it. The 280's Rate Wizard simplifies the process of selecting the correct postal rate and class for items. With clear step-by-step instructions, the selection process has never been easier. Shortcut keys save time and eliminate keystrokes. Users can also choose the most commonly used postal rates, as well as customize and save the settings of your most frequent jobs. Refilling postage funds, downloading the latest USPS rates or system features can be done via iMeter PC Link, high speed internet (LAN), or optional analog modem.

IS-280 FEATURES: Processing Speed: up to 18 LPM; Envelope minimum: 3.5" x 5" maximum: 12"x15"; maximum thickness: 5/16"; 2 lb. standard integrated scale: optional 5 lb. scale; Imprint Customization: 8 standard, 2 open advertising slogans; 4 digit PIN code authorization; 1 account standard up to 10 accounts (optional); Method for postage refilling: internet (standard), iMeter PC Link (standard), analog modem (optional). iMeter Apps: Postal Rates App, Online Postal Expense Manager App – Small Business Edition, Commercial Rates App, E-Services App, E-Services with Electronic Return Receipt App, NeoFunds App, NeoShip App, and Remote Diagnostics App. For more detail on individual Apps, please refer to the iMeter and Apps section.

IS-330: Easy to operate and convenient to use, Neopost's highly capable IS-330 is designed to integrate smoothly into mail managers' office environment and process mail efficiently. The IS-330 uses a long-life ink cartridge and prints a crisp and clear IBILite indicia barcode, optimizing ink yield and minimizing replenishment. The IS-330's space-saving, built-in integrated weighing platform automatically calculates the exact rate for your mail pieces from single envelopes to larger packages, giving users the flexibility they need to weigh and manage their mail with ease.

IS-330 FEATURES: Processing Speed: Up to 35 LPM. Job Imprint Memories: 9; Imprint Customization — 8 standard, 2 open advertising slogans, 10 custom personalized text messages, automatically printed postal class. Account Reporting and Control: 10 departments. For maximum system performance, the iMeter can be connected via Smart Connect high-speed LAN connection. Available Apps include: Commercial Rates App, Online Postal Expense Manager App, E-services with Electronic Return Receipt App, Remote Diagnostics App, NeoFunds App, Postal Rates App, NeoShip App, and Low Ink Alerts App. For more detail on individual Apps, please refer to the iMeter and Apps section.

Neopost IN-600 HF

IN-360: The IN-360 is a desktop mailing system that makes weighing, rating, posting and tracking mail easy. The IN-360 accurately weighs mixed mail and calculates the postage fast with the innovative differential weighing feature. Smart Start technology starts the power feeder each time an envelope is removed from the weighing platform and is ready to process mail.

IN-360 FEATURES:

Processing Speed: Up to 45 LPM. Job Imprint Memories: 9; Imprint Customization – 8 standard, 2 open advertising slogans, 10 custom personalized text messages, automatically printed postal class, catch tray, 5

Neopost IN-360

lb. embedded scale, optional 10 lb., 30 lb., 70 lb weighing platforms; Account Reporting and Control: 30 departments. IS-5000: The IS-5000 sets a new standard for mailing system productivity, operability, and efficiency. With an overall weight of over 200 lbs., and three speed choices up to 210, 260, and 300 LPM, the IS-5000 is ready to tackle the demands of large corporate and production mailing operations. The IS-5000 delivers simple, ergonomic operations; investment protection and cost savings; reliable production, and maximum uptime. The flexible, intuitive control panel moves backward and forward, and swivels left and right providing a comfortable working environment for all operators using the system. A full 5.7” color touch screen minimizes keystrokes and puts even the casual operator in control with an easy-to-read dashboard. Eliminate hand sorting by size or weight. The IS-5000 processes nested or non-nested envelopes and postcards with ease. The high capacity envelope feeder with reload on the fly capability can stack more than 7” of materials. A dual-pump, jet-spray sealing system with filter ensures a quality tip-to-tip envelope seal. Five levels of spray adjustments are standard with each system. An optional dynamic scale accurately weighs, rates and classifies mail at speeds up to 160 LPM. Reliable sensors detect mail dimensions to ensure conformance to USPS Shape-Based Pricing requirements.

Postage Meters/Mailing Systems

IS-5000 mailing system w/ optional dynamic scale and conveyor stacker

IS-5000 FEATURES: Each IS-5000 comes standard with a print head that is designed to last the life of the mailing system. Reduce work steps and optimize the ergonomic work space with an optional repositionable remote label dispenser that prints no-peel, ready-to-stick tapes from a roll. An optional custom ergonomic workstation has been designed specifically for the IS-5000 mailing system. Adjustable shelving is great for holding supplies, while dual locking doors provide additional storage and security. As part of its revolutionary design, the IS-5000 introduces the industry's first Neopost iMeter postage meter. The iMeter is an internet connected smart device that provides many functions above the traditional postage meter. The iMeter, in conjunction with standard and optional Apps for your business, provides the information required for better mailing operations management and cost control. Available Apps include: Commercial Rates App, Online Postal Expense Manager App, MAS App, E-services with Electronic Return Receipt App, Remote Diagnostics App, NeoFunds App, Postal Rates App, NeoShip App and Low Ink Alerts App. For more information on Apps, please refer to the iMeter Apps section.

IS-6000: IS-6000: The IS-6000 is the new choice in high-volume mailing systems. Setting a new standard for mailing system productivity, operability and efficiency, the IS-6000 is a durable, reliable workhorse ready for the challenges of large corporate and production mailing operations. Three speed choices are available, including up to 210, 260, and 300 LPM. The IS-6000 has an overall weight of over 200 lbs. All IS-6000 systems deliver simple ergonomic operations; investment protection and cost savings; reliable production and maximum uptime. Each IS-6000 has a Neopost iMeter postage meter. The iMeter is an internet connected smart device that provides many functions above the traditional postage meter. All iMeters work in conjunction with Apps to provide the information needed to better manage your mailing operations and control costs. Available Apps include: Commercial Rates App, Online Postal Expense Manager App, Postal Accountant App, E-services with Electronic Return Receipt App, Remote Diagnostics App, NeoFunds App, Postal Rates App, NeoShip App, and Low Ink Alerts App.

IS-6000 FEATURES: IS-6000 mailing systems were designed with the operator in mind. All mailing operations are controlled from the same area, creating an ideal ergonomic work space. The height adjustable 15" touch screen moves backward and forward, swivels left and right, and moves up and down, providing a comfortable working environment for all of the operators using the system. All screens display large descriptive buttons and prompts, making navigation a breeze. Cool shades of blue minimize eye strain and fatigue. Operators can create rate shortcuts, rate favorites, and customized menu keys, all on the home screen, which help increase operational efficiency. A full, integrated keyboard makes account set up, and custom text messaging on the envelope easy. Processing

NEOPOST IMETER POSTAGE METER & APPS: Each IM-Series Mailing System is equipped with an iMeter postage meter. The iMeter is an Internet-connected smart device that provides many functions above the traditional postage meter. Each iMeter connects to an Online Services server, so that user can better manage their mailing operations and control costs. There are a host of standard and optional apps available to enhance the functionality of your mailing system.

NEOSTATS: Provides web reporting on postage usage and trends by department, time period, and postal class, which helps with budget planning. Reports can be viewed as graphical snapshots, and all postage usage data can be easily exported into Excel for additional analysis and reporting.

E-SERVICES WITH ELECTRONIC RETURN RECEIPT APP: Provides easy processing, tracking and reporting of mail when utilizing USPS-discounted electronic rates for eDelivery Confirmation, eSignature Confirmation, and eCertified Mail with Electronic Return Receipt. In addition to significant cost savings, email alerts and online access save time by helping users monitor, track and control.

POSTAL RATES APP: Guarantees automatic delivery of updates when the Postal Service announces a change to its rates, delivery service fees, and postal zones. Updates download fast with Smart Connect high-speed LAN connection and ensure always on-time, accurate rating of the exact postage due on your letters, flats and packages.

COMMERCIAL RATES APP: Provides access to reduced Postal Service prices that are only approved for use in advanced mailing systems like the IS-Series. iMeter connectivity and digital imprinting ensure conformance to Postal-qualifying requirements. USPS Commercial Base Rates discounts are automatically applied to save users as much as 5% off standard USPS rates on Express Mail and Priority Mail.

Postage Meters/Mailing Systems

NEOFUNDS APP: Provides the flexibility and convenience of funding iMeter with “download now, pay later” NeoFunds postage financing plan. Add postage dollars to one’s iMeter with the click of a button. Instead of pre-funding the postage account, users will receive a monthly invoice for actual postage dollars that have been downloaded.

NEOSHIP: NeoShip ensures full IM@pb compliance from the USPS® for all your package shipping requirements. As an option for our IS, IM and IN-Series mailing systems, shipping directly from your desktop has never been easier. Simply access NeoShip through your MyNeopost online account, follow the illustrated prompts and create your shipping label. Save Time by Eliminating Trips to the Post Office. Benefit from the Cost Savings Associated with Commercial Base Pricing. Obtain an Online Consolidated View of All Shipments. Create Summary and Detailed Reports Based on Shipment History, Operator Shipments and/or Transactions. Apply Free Insurance on PriorityMail® and Priority Mail Express™ Items.

NEOSHIP ADVANCED: NeoShip ADVANCED provides an intuitive single-screen interface that streamlines the process of shipping domestic and international parcels. This multi-carrier solution allows you to select from USPS®, FedEx® or UPS®, expanding the number of options you have when it comes to processing and tracking shipments.

LOW INK EMAIL ALERTS APP: Notify users when it is time to re-order ink. The online server monitors ink supply.
