BK730 Tabber

smooth motion control reduces hearing while keeping production speeds up to 35,000 pph.

CONTACT: For more information, call 888-8BUSKRO or email sales@buskro.com.

BK730 & BK730WL TABBING/LABELLING SYSTEM: Setup and changeover are quick and easy for these tabbing systems. Simply enter the piece length, number of tabs, and the system automatically sets the label pitch, backer sensitivity, and label placement. All the tabber controls are self-contained in the head, so the unit can be mounted on any mailing transport. No tools needed for easy glide height adjustments, head positioning, label threading, and waste removal. Apply tabs or labels up to 3" wide with Buskro's standard Tabber or 5" wide with the wide label system. The
