

## Mail Monitoring/Visioning

*Clear Image Technology End of Process Camera*

## § Clear Image Technologies

**CATEGORY:** Mail Monitoring Services

**PRODUCT:** Picture Perfect Match System

**COMPANY:** Clear Image Technologies, 94 Pebblebrook Lane, St. Louis, MO 63146. Contact: Larry Miyasaka. Phone: 314-853-5867.

**DESCRIPTION:** With Picture Perfect's End of Process verification, a camera placed at the end of the inserter, or any other machine, can capture names, account numbers, sequence numbers, etc. using optical character recognition or barcodes. This data is written to a file and can be converted to an Excel file at the end of the job. Sequence checking can be enabled also, stopping the machine if any piece are missing or out of order. This system can be used simultaneously with our other products.

**FEATURES:** Barcode recognition, includes OCR, can decode IMB, QR and 2D (data matrix) and some 1D barcodes.

*See listing in Inserter Feeders/Accessories section.*

**CONTACT:** For more information, call 314-853-5867 or email [larry@clearimagetechnologies.com](mailto:larry@clearimagetechnologies.com).

## Mailing Supplies/Accessories

## § Pitney Bowes Inc.

**CATEGORY:** Mailing Supplies/Accessories

**PRODUCT:** Pitney Bowes Mailing Supplies

**COMPANY:** Pitney Bowes, Inc., 3001 Summer Street, Stamford, CT 06926-0700. Tele: 1-800-243-7824. Web: [www.pitneybowes.com](http://www.pitneybowes.com)

**POSTAGE METER SUPPLIES:** Pitney Bowes Postage Meters run smoothly and efficiently with genuine Pitney Bowes supplies. Pitney Bowes meter ink and postage meter tape is engineered specifically for use in Pitney Bowes meters and mailing systems.

**SEALING SOLUTIONS:** Keep envelopes sealed and secure with E-Z Seal® Sealing Solution. Inhibit the growth of algae, bacteria, and mold in your mailing system and run it cleaner and more efficiently.

**SHIPPING & PACKAGING SUPPLIES:** Pitney Bowes stocks a variety of label materials designed for use with their SendPro® and PitneyShip™ suite of products, providing the ability to print stamps and shipping labels on demand. In addition, a wide selection of quality packaging products are available which includes cartons, protective mailers, packaging tape and other office shipping supplies. Now you can order precisely what you need to protect your shipments so they arrive to their destination intact.

**ENVELOPES:** Pitney Bowes® Envelopes are designed to work reliably with all your mailing equipment. Our range of stock envelopes covers all standard sizes, window types and flap placements. Plus, we can design custom envelopes in order to meet your unique business requirements.

*See Pitney Bowes listing in the Postage Meters/Mailing Systems section and Shipping/Receiving Systems section.*

**CONTACT:** For more information call 800-243-7824 or go to [www.pitneybowes.com](http://www.pitneybowes.com).
