DESCRIPTION: Alliance is a proud US Manufacturer of Rubber Bands for the United States Postal Service. The US Postal Service made the decision to no longer provide rubber bands to bulk mailers for use in

bundling their mail outs. Many businesses such as bulk mailers used these bands for bundling, filing and organizational purposes.

Avoid potential business interruptions by using the proper rubber bands for bundling. Our Postal Bands are designed to meet or exceed the postal requirements for bundled parcels.

Alliance offers the same postal rubber bands sold to the USPS to private customers

through our distribution network. These mail rubber bands are guaranteed to meet or exceed all Postal requirements.
