§ QUADIENT

CATEGORY: Document Software

PRODUCT: Quadient Impress Platform, YayPay by Quadient and Quadient Inspire Software

COMPANY: QUADIENT, 478 Wheelers Farms Rd., Milford, CT 06461. Phone: 800-636-7678.

QUADIENT OUTPUT MANAGEMENT: Quadient's output management solutions allow users to manage important customer communications easily and securely, while providing a pathway for businesses to communicate according to their customer's delivery preference and thus easily evolve from paper-based communications to digital delivery. The Output Management portfolio of on-premise software and cloud-based solutions offered by Quadient, automates and enhances the preparation, processing, output and delivery of business-critical communications through the Quadient Impress Platform.

QUADIENT ACCOUNTS RECEIVABLE: Take your business-critical communications one step further by adding accounts receivable automation technology with YayPay by Quadient for invoices, cash collections and disputes.

Quadient Impress Platform: A multi-channel outbound document automation platform that automates the sending of business-critical customer communications. The Impress Platform works to increase operational efficiencies and centralize the document preparation process, helping to ensure that content is sent to the right person, at the right time through the customer's preferred channel. Users can add specific marketing messages to their business-critical customer communications and incorporate business rules such as merging multiple documents into a single envelope, facilitating additional marketing opportunities as well as savings on printing and postal costs. Four core applications operate on the award-winning Quadient Impress platform, providing businesses the highest level of performance and scalability, and ability to produce mail physically in-house, outsource, or digitally. Within the Impress Platform each application can work independently or seamlessly integrate with each other for maximum flexibility. The Quadient Impress Platform also integrates with unique and powerful Web-based plug-ins that enable businesses to save postage with presort capabilities, ensure the integrity of their customer contact data, centralize and track the processing of Certified Mail, manage their recipients' delivery preference and more.

YayPay by Quadient: A smart accounts receivables platform that helps B2B companies improve their customer experience via their credit and collection communications processes. YayPay SaaS platform automates routine invoice reminders, credit and cash application tasks, and gives finance teams visibility and control by connecting the AR data from ERP, CRM, email and credit in one central system. In-

Document Printing Systems

stead of sticky notes, one-off emails and spreadsheets, YayPay reduces the highly manual process of managing the AR process with simple workflows. YayPay improves cash flow predictability and facilitates collection of payments via a self-serve portal for electronic invoice review and payments.

INSPIRE: Inspire is an enterprise communication platform enabling your business to deliver relevant personalized messages, at the right time through the preferred channel. It includes a high performance document composition engine on a flexible platform that integrates with almost any data source. Inspire's efficient template design is optimized for multi-channel communication and boasts robust reporting capabilities to track production in real time.

See Kodak's listing in the Address/Barcode Printers section.

KODAK PROSPER ULTRA 520 PRESS: This press delivers the quality and output you'd expect from offset—at inkjet prices. It offers: Economical consumables; Unrivalled productivity; The flexibility of variable print; Perfect for commercial printers producing direct mailers, inserts, catalogs and books. The ULTRA 520's Intelligent Print System technology constantly evaluates press operation to ensure exceptional output quality and efficient throughput. The PROSPER ULTRA 520 is a compact unit that produces up to 62.4 million top quality pages per month. – Built with open architecture interfaces, it integrates with your existing set-up, whether that's 2-up workflow, off-line, near-line, or dedicated in-line finishing equipment.

KODAK PROSPER 7000 TURBO PRESS: The 7000 Turbo Press delivers industry-leading speeds of 410 mpm (1,345 fpm), nearly 35% faster than its nearest competitor. When time is of the essence, the PROSPER 7000 Turbo Press's unique Turbo mode is specifically geared to handle big jobs, lightning fast: a blazing 5,523 A4s ppm. With less time needed on press for each job, the PROSPER 7000 Turbo Press enables you to take on bigger, longer, more ambitious jobs than ever before — over 200 million A4 pages per month. The PROSPER 7000 Turbo Press has been specifically designed to handle high capacity runs at super-fast speeds with minimal downtime. The KODAK PROSPER 7000 Turbo Press features a robust and reliable design optimized for productivity across a wide range of papers.

KODAK PROSPER 6000C PRESS: This press resets printing industry standards, with an unmatched combination of outstanding quality, productivity, and compelling economics. It's well suited for the demands of commercial print operations that produce direct mailers, inserts, catalogs, books and newspapers with very high ink coverage. It provides full-color 4-over-4 perfecting output with a print width of up to 62.1 cm (24.45") at speeds up to 300 mpm (1,000 fpm).
