COMPANY: Eastman Kodak Company, 3000 Research Blvd, Dayton, OH 45420. Email: randy.vandagriff@kodak.com Tele: 937-259-3000. Web: www.kodak.com

KODAK PROSPER 7000 TURBO PRESS: The 7000 Turbo Press delivers industry-leading speeds of 410 mpm (1,345 fpm), nearly 35% faster than its nearest competitor. When time is of the essence, the PROSPER 7000 Turbo Press's unique Turbo mode is specifically geared to handle big jobs, lightning fast: a blazing 5,523 A4s ppm. With less time needed on press for each job, the PROSPER 7000 Turbo Press enables you to take on bigger, longer, more ambitious jobs than ever before — over 200 million A4 pages per month. The PROSPER 7000 Turbo Press has been specifically designed to handle high capacity runs at super-fast speeds with minimal downtime. The KODAK PROSPER 7000 Turbo Press features a robust and reliable design optimized for productivity across a wide range of papers.

FEATURES: With three optimized print modes — Quality, Performance and Turbo — the PROSPER 7000 Turbo Press allows you to fine-tune your production process to give the optimal combination of resolution and speed. For high volume applications where you need maximum quality and maximum versatility, it's the premier inkjet press solution. The PROSPER 7000 Turbo Press delivers some of the lowest print costs of any inkjet press on the market. Automated processes reduce the need for manual user input, allowing you to use your time — and your labor — more effectively.

KODAK PROSPER 6000C Press: The PROSPER 6000C Press leverages technical innovations and capabilities that are unlike those of any other press. Its Intelligent Print System technology constantly monitors and evaluates press operation to ensure exceptional output quality and efficient throughput. The PROSPER 6000C Press consistently delivers print quality that's comparable to offset—on a range of uncoated, coated, glossy and silk papers—with zero compromise on productivity. It provides full-color 4-over-4 perfecting output with a print width of up to 62.1 cm (24.45") at speeds up to 300 mpm (1,000 fpm).
